

Vacation Packages in Mexico

If you want to enjoy some wonderful Vacation Packages in Mexico, get yourself straight to Acapulco's most exclusive and recognized hotels such as the Fairmont Acapulco Princess. Standing right in front of a beach and encompasses more than 480 acres of wonderful sceneries together with some tropical swans, birds as well as flamingos to complete the picture. The Fairmont Acapulco is an impressive hotel built like an Aztec pyramid that can accommodate the most hard-to-please guests from around the globe.

In Fairmont Acapulco, you have a stunning view of golf courses, pool areas and dining venues offering the most exquisite cuisines. Feel the outstanding Mexican hospitality and gracious service together with a dazzling array of first class amenities. A truly, unforgettable vacation experience with a price starting at \$66 per person.

Another hotel that you would also find accommodating is the Family Friendly hotel that shows a colonial style architecture and would be great for business travelers or otherwise. This hotel is set amidst lovely and spacious gardens, with more than 150 fully air-conditioned rooms. Great facilities that you can enjoy include a restaurant, a cafe, a bar, lift access, a cloakroom, a tobacconists and even a gift shop. In addition, there is also WLAN and Internet access as well as parking facilities. For important business meetings, there are five function rooms ready to accommodate you and your business associates. You can to enjoy all of these amenities for a reasonable price of \$130 per person for one night.
